

31 Day Challenge

The **best investment** you could ever make with **the most profitable returns** will be the time you take each day to be alone & communicate with God. This time will not only give you a Godly outlook on each day, but on your entire life & on those people and circumstances around you. You must work at having a consistent time alone with God each day, it will not just happen. You must set the priority & let everything else revolve around that time with God.
